

Program Waiver and Release Important Information

The MAAC is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The MAAC continually strives to reduce risk and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program must recognize that there is an inherent risk of injury when choosing to participate in martial arts. You are solely responsible for determining if you or your minor child/ward is physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way, or has recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

Warning of Risk

Mixed Martial Arts and Grappling are intended to challenge and engage the physical, mental, and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury including, but not limited to, head/brain injuries, and bone and joint injuries. All hazards and dangers cannot be foreseen. The very nature of **Mixed Martial Arts/Grappling** is hazardous and risky, including, but not limited to acts of sparring, competing, instructor demonstration/instruction, unsportsmanlike conduct, lack of or incorrect technique, failure to wear protective equipment, recklessness, loss of control, inadequate supervision or instruction, lack of physical conditioning, mismatch of opponent's size, strength or skill, poor warm-up, equipment failure, poor officiating, premises defects, and all other circumstances inherent to the sport of martial arts. In this regard, it is impossible for The MAAC to guarantee absolute safety.
